

The CRC delivers a range of services to children and adults with disabilities both nationally and locally through our centres in Dublin, Limerick and Waterford and our Outreach Services. The mission of the CRC is that by working together we make a positive difference to the lives of people with disabilities, their families and carers. Our vision is that people with disabilities achieve their potential and live full lives as equal and valued citizens.

Clinical Nurse Specialist/Clinical Nurse Manager 2 in Physical Disabilities Specified Purpose Contract, Maternity Leave cover (0.5 WTE)

We are looking for an enthusiastic and well-motivated nurse to join us as we continue to deliver high quality care to children and adults attending our service. The post holder will work as part of a dedicated and innovative team providing nursing care and support. S/he will demonstrate a desire to deliver a positive experience to our clients and their families, with an ability to work both independently and as part of a multidisciplinary team.

The successful candidate will have the following **essential** requirements:

- Current registration with the Nursing & Midwifery Board of Ireland (NMBI) in the General or Paediatric Division.
- At least 5 years post qualification nursing experience and evidence of continuing professional development.
- Experience working in relevant specialist area, e.g. Neurodisability, or paediatrics

Desirable requirements:

- Postgraduate qualification in specialist area
- Experience working in a disability setting, and/or Continence
- Evidence of service developments and improvement in clinical practice
