

The CRC delivers a range of services to children and adults with disabilities both nationally and locally through our centres in Dublin, Limerick and Waterford and our Outreach Services. The mission of the CRC is that by working together we make a positive difference to the lives of people with disabilities, their families and carers. Our vision is that people with disabilities achieve their potential and live full lives as equal and valued citizens.

Senior Occupational Therapist

Fixed Term, Full-Time 35 hours

Specialised Service, Assistive Technology and Specialist Seating (ATSS) Department

Based at Clontarf and Clondalkin

This is an exciting opportunity for a Senior Occupational Therapist to work as part of a dedicated multidisciplinary team providing assistive technology assessment and postural and mobility services to children and adults and to be involved in new and innovative projects in Specialised seating provision.

The successful candidate will have the following essential requirements;

- A degree or recognised qualification as a Senior Occupational Therapist which is validated by the CORU
- Membership or eligibility for membership of AOTI
- At least three years post qualification experience to include experience in the area of disability
- Two years front line experience in an assistive technology and specialised seating setting
- Excellent interpersonal, communication, teamwork and time management skills
- Fluency in written and spoken English
- Ability to participate in best practice initiatives and service development within the ATSS Department
- Full driver's license

Desirable requirements:

- Post qualification training/experience in neuro-developmental practice
