

*The CRC delivers a range of services to children and adults with disabilities both nationally and locally through our centres in Dublin, Limerick and Waterford and our Outreach Services. The mission of the CRC is that by working together we make a positive difference to the lives of people with disabilities, their families and carers. Our vision is that people with disabilities achieve their potential and live full lives as equal and valued citizens.*

## Senior Psychologist

**Permanent post 1 WTE/ 35 hours per week**

**Based in CRC Lead Agency Children's Disability Network Team, Waterford**

The CRC Children's Disability Network Teams (CDNT) will be providing intervention to children from the age of 0-18 years, presenting with complex developmental needs requiring inter-disciplinary intervention. Our services are based upon a Family Centered Practice Model in line with the Progressing Disability Services. The CRC is the Lead Agency for the CDNT based in Waterford South City. This is an exciting opportunity to work as part of a dynamic, interdisciplinary team.

We currently have the following vacancy on our team:

The successful candidate will have the following **essential** requirements;

- A University Degree or Diploma obtained with first or second class honours in which Psychology was taken as a major subject and honours obtained in that subject
- A recognised postgraduate qualification in Clinical or Educational Psychology
- Three year's post-qualification experience with a minimum of two years working with children with disabilities
- Experience of completing standardised cognitive assessment with children
- Excellent report writing skills
- Excellent communication, initiative and time management skills
- Flexibility and teamwork skills which are key to this role.

**Desirable** requirements:

- Experience working with children with disabilities including Autism Spectrum Disorder, physical disabilities and intellectual disabilities
- Full driver's license and access to car

Informal enquiries to Damhnait Ní Mhurchú, CDNT Manager Waterford, phone. Department of Health Salary Scale, Senior Clinical Psychologist (full-time rate: €84,271 - €99,054). Applicants must demonstrate in their CV and supporting documentation how they meet the above criteria as short-listing will apply.

Please forward a letter of application quoting reference number CRC 130/22 with a full CV to; Human Resources Department by email to or through Irish Jobs. Applications must be received on or before 5pm Wednesday 12th October 2022. Interviews to take place on 26th October.

*A panel may be created from this campaign from which current and future permanent, specified purpose, whole-time and part-time posts for the CRC Children's Disability Network Team in Waterford South City, will be filled.*

## CENTRAL REMEDIAL CLINIC

### JOB DESCRIPTION

<b>Job Title and Grade</b>	Senior Psychologist CDNT Waterford
<b>Location of Post</b>	<p><b>Based in CRC Lead Agency Children’s Disability Network Teams.</b></p> <p>The CRC Children’s Disability Network Teams (CDNT) will be providing intervention to children from the age of 0-18 years, presenting with complex developmental needs requiring inter-disciplinary intervention. Our services are based upon a Family Centered Practice Model in line with the Progressing Disability Services. The post is based in the CRC building in Waterford.</p>
<b>Details of Service</b>	<p>The post holder will have responsibility for provision of a high quality psychology service within an interdisciplinary children’s disability network team.</p> <p>Psychology services includes assessment, interventions, consultation, research, education and support. Such psychological services will be delivered in line with PDS CDNT Policies, Procedures, Protocols and Guidelines (PPPGs), and within established professional standards, guidelines and CRC policy.</p> <p>The Senior Psychologist may have some involvement in planning and managing changes in the disability context within the organisation and will support the implementation of change management processes under the Transforming Lives programme – specifically Progressing Disability Services for Children &amp; Young people.</p>
<b>Reporting Relationship:</b>	The post holder will have a reporting relationship to the Children’s Disability Network Manager. The CDNM will provide clinical assurance regarding professional supervision in collaboration with the Principal Psychologist.
<b>Key Working Relationships:</b>	<p>The post holder will:</p> <ul style="list-style-type: none"> <li>• Work with and report to the CDNM</li> <li>• Liaise with the Principal Psychologist as agreed</li> <li>• Work as part of the interdisciplinary children’s network disability team</li> <li>• Build key working relationships with clients and their families, carers and advocates</li> </ul>

	<ul style="list-style-type: none"> <li>• Build key working relationships with Psychology colleagues within CRC CDNTs, the wider Psychology Department and external agencies</li> <li>• Work within the clinical supervision framework as agreed</li> <li>• Engage in the process of reconfiguration under Progressing Children’s Disability Services national policy.</li> </ul>
<b>Purpose of the Post</b>	<p>The post holder will:</p> <ul style="list-style-type: none"> <li>• Have responsibility for managing a workload and the effective delivery of psychology services for their clients, in the context of an interdisciplinary team within a family centred practice service model</li> <li>• Deliver such services in line with service plans and objectives and within established professional standards, guidelines and policy</li> <li>• Have the responsibilities of a Mandated Person as outlined in the Child Care Act 2015.</li> </ul>
<b>Person Specification</b>	<p><b>Professional/Clinical</b></p> <p>The Senior Psychologist will</p> <p>Provide and/or oversee treatment and intervention programmes to meet the identified psychological needs of children, their families within the CDNT interdisciplinary team service, including assessment, consultation and the provision of psychological therapies and interventions, in line with best practice.</p> <ol style="list-style-type: none"> <li>1. Oversee and participate in clinical psychology work with other disciplines both directly and through liaison and consultation, promoting interdisciplinary working and the provision of integrated services.</li> <li>2. Attend meetings, case conferences, professional meetings and reviews within the designated CDNT service and provide information to these meetings as appropriate.</li> <li>3. Provide clinical supervision to other psychology staff.</li> <li>4. To effectively prioritise and manage a clinical caseload</li> <li>5. To keep accurate and contemporaneous clinical records through case file notes, reports and clinical reporting systems</li> <li>6. To maintain statistical records as required for the interdisciplinary team and by the CDNT</li> <li>7. To participate in administrative activities necessary to enable the team to carry out its work effectively.</li> <li>8. Provide, as required, clinical psychology reports to the service, HSE and TUSLA, the Child and Family Agency, the heads of other services and the courts in accordance with professional standards.</li> </ol>

	<p>9. Ensure anti-discriminatory practice and cultural awareness.</p> <p>10. Encourage and initiate psychological research and, where appropriate, initiate and/or participate in multi-disciplinary research programmes.</p> <p>11. Perform such other duties appropriate to his/her office as may be assigned by the CDNMM.</p> <p>The above Job Description is not intended to be a comprehensive list of all duties involved and consequently, the post holder may be required to perform other duties as appropriate to the post which may be assigned to him/her from time to time and to contribute to the development of the post while in office.</p>
